**Hiring Manager**

The Africa Research Collaborative (The ARC),

4<sup>th</sup> Floor, The village Residence,

Aberdeen, Freetown,

Sierra Leone.

Dear Hiring Manager,

**Application for the Position of Data Management and IT Officer**

Am writing to express my sincere interest in the Data Management and IT Support position at the Africa Research Collaborative (The ARC), as advertised. With over two years of experience in data management and IT support, am well prepared and strongly confident in my capacity to contribute to your mission of improving health outcomes in Sierra Leone.

In my previous role as a Data Management Specialist at GIZ GmbH, I have successfully managed data quality assurance processes, validate incoming data reports, set standards according to the EUGDPR in data collection, developed database in MS Access, trained data collectors and coordinated field activities, my experience in database management, data validation and providing strong IT support aligns well with the requirements of this role.

Am strongly exited about the opportunity to contribute to The African Research Collaborative's mission of generating robust local evidence based on data to inform national policies and health guidelines. My strong analytical skills, attention to detail and collaborative approach makes me a suitable candidate for this position.

I appreciate your consideration of my application; I look forward to discuss how my skills and experiences can help in achieving the objectives and goals of your organization.

Sincerely,

Hassan Sidique Konneh.
